We translate meaning, not words

Technologies and quality management processes selected especially for your project

Giving you a voice

Qualified simultaneous, consecutive and liaison interpreters for conferences, trade fairs, discussions, negotiation settings ...

Making sure your message hits home

Print-ready, creatively transposed content tailored for the requirements of your target market and audience

... .. and we also support you in developing and maintaining your own specific corporate language

Our managing director, Silvia Cerrella Bauer, is a recognised language specialist holding Swiss and European certification in the field of terminology. She is actively involved in Swiss professional associations.
